|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Onderdeel nummer:   | DM74ALS574ASJX                                                                                                       |
| Fabrikant / Merk:   | AMI Semiconductor / ON Semiconductor                                                                                 |
| Productomschrijving | IC FF D-TYPE SNGL 8BIT 20SOP                                                                                         |
| Datasheets:         |  <a href="#">DM74ALS574ASJX.pdf</a> |
| RoHS-status         |  Loodvrij / voldoet aan RoHS        |
| Voorraad conditie   | 3438 pcs stock                                                                                                       |
| Vershipen van       | Hong Kong                                                                                                            |
| Zending manier      | DHL/Fedex/TNT/UPS/EMS                                                                                                |

OFFERTE AANVRAGEN

Specificaties van DM74ALS574ASJX

|                                   |                                                                                                                        |
|-----------------------------------|------------------------------------------------------------------------------------------------------------------------|
| ONDERDEEL NUMMER                  | DM74ALS574ASJX                                                                                                         |
| FABRIKANT                         | AMI Semiconductor / ON Semiconductor                                                                                   |
| BESCHRIJVING                      | IC FF D-TYPE SNGL 8BIT 20SOP                                                                                           |
| LEID FREE STATUS / ROHS STATUS    | Loodvrij / voldoet aan RoHS                                                                                            |
| HOEVEELHEID BESCHIKBAAR           | 3438 pcs                                                                                                               |
| DATA PAPIER                       |  <a href="#">DM74ALS574ASJX.pdf</a> |
| VOLTAGE - LEVERING                | 4.5 V ~ 5.5 V                                                                                                          |
| TYPE                              | D-Type                                                                                                                 |
| TRIGGER TYPE                      | Positive Edge                                                                                                          |
| SERIE                             | 74ALS                                                                                                                  |
| PACKAGING                         | Tape & Reel (TR)                                                                                                       |
| VERPAKKING / DOOS                 | 20-SOIC (0.209", 5.30mm Width)                                                                                         |
| OUTPUT TYPE                       | Tri-State, Non-Inverted                                                                                                |
| TEMPERATUUR                       | 0°C ~ 70°C (TA)                                                                                                        |
| AANTAL ELEMENTEN                  | 1                                                                                                                      |
| AANTAL BITS PER ELEMENT           | 8                                                                                                                      |
| MONTAGE TYPE                      | Surface Mount                                                                                                          |
| VOCHTGEVOELIGHEIDSNIVEAU (MSL)    | 1 (Unlimited)                                                                                                          |
| MAX SIGNAALVERTRAGING @ V, MAX CL | 14ns @ 5V, 50pF                                                                                                        |
| LOODVRIJE STATUS / ROHS-STATUS    | Lead free / RoHS Compliant                                                                                             |
| FUNCTIE                           | Standard                                                                                                               |
| ACTUEEL - QUIESCENT (IQ)          | 18mA                                                                                                                   |
| CURRENT - OUTPUT HOOG, LAAG       | 2.6mA, 24mA                                                                                                            |
| KLOKFREQUENTIE                    | 35MHz                                                                                                                  |
